

DSUMC Women Get Ready

UMW Annual Garage Sale

Our biggest fundraiser for the year is coming soon! The church wide garage sale will be held in the Family Life center on June 11th and 12th and we are praying for a fabulous turn out of really great stuff and eager shoppers. We are especially praying for lots of willing hands to help organize and price objects, so if you are available on the Wednesday and Thursday before, here is your chance to be an answer to prayer!

We have a great time for a great cause. Besides our regular mission contributions, we are trying to raise enough funds to contribute significantly to the DSUMC preschool's scholarship fund.

Our circle ladies took a vote, and for the next couple of months, uncluttering the stuff from your life is a definite spiritual gift! So get cleaning and reap the rewards of contributing to a very worthwhile mission project benefiting our church and the greater Dripping Springs community.

Please contact Gay Lynn Wilson (gwilson@wilsonappliance.com or 512-964-6436) if you have more questions. Storage ahead of time is extremely limited, so help us by keeping your items until unloading day on June 9th and 10th.
